Don Miguel Ruiz

El arte tolteca de la vida y la muerte (The Toltec Art of Life and Death - Spanish Edition) Don Miguel Ruiz

En este libro, don Miguel Ruiz describe el viaje espiritual más profundo de su vida. Ese viaje es en realidad un vistazo a la vida de don Miguel, un profundo encuentro místico con las personas, las circunstancias y las ideas que lo hicieron quien es, tal como él lo experimentó en un sueño durante las nueve semanas que duró el coma en el que estuvo tras un ataque al corazón que sufrió en febrero de 2002. La narración a través de la cual imparte sabiduría sobre lo material y lo inmaterial está revestida de fantasía descriptiva. Asimismo, el lenguaje es rico en alegorías y simbología de las cosas que se valoran y que nos aferran a la vida y a otros. Esta obra es lo que él ha denominado su legado, el compendio de las experiencias de su vida y la sabiduría que ha adquirido, pues, como él dice, «un legado es todo lo que somos, la totalidad de nosotros mismos». «A aquellos que deseen aprender de mis palabras, les ofrezco las experiencias de mi vida», dice don Miguel. «Escuchen, vean, atrevanse a cambiar su propio mundo, un mundo hecho de pensamientos y de respuestas automáticas. Permitan que los acontecimientos de mi vida les inspiren nuevas percepciones sobre su propio sueño y sus desafíos actuales», desafía a los lectores.
