Were you at a loss when they began their pitch? Did you find yourself without answers to their probing questions? You are not alone. Many thousands feel the same awkwardness when confronted by these zealous door-to-door salesmen.

But take heart you hold in your hand a book of effective answers!

You can successfully combat their basic ideas without mastering all their theology!

This little book has actual photostatic copies of "official" Watchtower prophecies which have never come to pass. Show them to the cultists. Prove to them, from their own writings, that their organization is, in effect, a "false prophet." In short: TAKE THE OFFENSIVE!

The book has three basic sections:

A simple explanation of how to use it the next time a "Witness" appears at your front door.

Solid proofs from their own literature that their system is false.

Irrefutable proof from Bible translations acceptable to them that the Jehovah they claim to serve is identical to Jesus Christ, the God-man.

This is a one-of-a-kind handbook on "home-defense." Buy it. Use it. And watch it work for you.
