The King of Torts: A Novel John Grisham

#1 *NEW YORK TIMES* BESTSELLER

The Office of the Public Defender is not known as a training ground for bright young litigators. Clay Carter has been there too long and, like most of his colleagues, dreams of a better job in a real firm. When he reluctantly takes the case of a man charged with a random street killing, he assumes it is just another of the many senseless murders that hit D.C. every week.

As he digs into the background of his client, Clay stumbles on a conspiracy too horrible to believe. He suddenly finds himself in the middle of a complex case against one of the largest pharmaceutical companies in the world and looking at the kind of enormous settlement that would totally change his life—that would make him, almost overnight, the legal profession's newest king of torts.

BONUS: This edition includes an excerpt from John Grisham's *The Litigators*.
