The Worst Interests of the Child: The Trafficking of Children and Parents Through U.S. Family Courts Keith Harmon Snow

“Keith Harmon Snow’s meticulously documented investigation into sex-trafficking of children by American judges is not to be missed. This scandal is one of the most important censored stories in our country today. I might not believe what Mr. Snow has written if I had not independently investigated two dozen cases not discussed in his article, and found ample evidence of the precise dynamics he lays out for us here. Anyone who says they care about child welfare needs to learn what is happening in family courts and take action until it is stopped. Once you start reading this exposé, you won’t be able to put it down.” —Lundy Bancroft
Author of *Why Does He Do That?* History’s largest-selling book on domestic violence
