**\*\*Mature Content Warning\*\*** Recommended for ages 17+ due to violence and sensitive subject matter.

Anna was taken... Taken from her home to live out a sick game that a guy has been playing for the last ten years. With no certainty that anyone is looking for her, and seemingly hours away from home, she's forced to play housewife with a man that has had twelve other 'wives'. Each of them now dead... With 12 rules and the obvious exits blocked, from the previous girls attempts to flee. Is Anna's only way out to play along and become a 'loving wife'? Or will she die during the chase? Would anyone even know what happened to her? Or would she be labeled as a runaway? And where is she in the first place?
