For courses in Emergency Medical Technician Training and Emergency Medical Services

Help students think like EMTs with the gold standard for EMT training
For over 30 years, *Emergency Care* has provided generations of EMT students with the practical information they need to succeed in the classroom and in the field. Updated with the latest research and developments in emergency medical services, this edition meets the 2010 American Heart Association guidelines for CPR and ECC. Using the National EMS Education Standards as a foundation, *Emergency Care* goes beyond the Standards to provide the most current, accurate reflection of EMS practice today. The text integrates scientific principles in an easy-to-understand way, with a host of critical-thinking features that help students learn to think like EMTs.

Also available with MyBRADYLab™
