The first victim was found lying on a sidewalk in the rain. The second was murdered in her own apartment building. Police Lieutenant Eve Dallas had no problem finding connections between the two crimes. Both victims were beautiful and highly successful women. Their glamorous lives and loves were the talk of the city. And their intimate relations with men of great power and wealth provided Eve with a long list of suspects--including her own lover, Roarke. As a woman, Eve was compelled to trust the man who shared her bed. But as a cop, it was her job to follow every lead..to explore every secret passion, no matter how dark. Or how dangerous.
