If you want to recover from or alleviate these uncomfortable and occasionally unrelenting illnesses, then this is the ebook for you. Amazingly, not many people are aware of how effective herbal antibiotics are, and how they can make you feel so much better, in a very short space of time.

This book will guide you through a wide range of different herbs, and some spices, and show you that you no longer have to solely rely on medication that has been prescribed to you.

Although we have come to rely on prescribed medication, it isn't the only thing that can make us feel better. Herbal antibiotics have been used around the world for thousands of years, and they are still trusted by millions of people in the east. Now, herbal antibiotics are much more popular in the western world as more people are discovering their potential and effectiveness.

Let this ebook guide you through 15 wonderful and different antibacterial alternatives that have the potential to make you feel so much better.

Here is what you will learn after reading this book:

- What commonly used herbs can help to relieve and even cure throat infections, colds and flu
- You will also learn that these herbs can help you in many different ways too
- How eating sensibly and using the herbs frequently, can boost your health and help to ward off a variety of illnesses
- How you can grow the herbs yourself
