A unique way to create and preserve the spiritual memories of pregnancy, birth, and the first years of a new life. There are enough baby memory books available today to fill a nursery, but finding one that acknowledges birth as a spiritual celebration is like trying to find a binky in the bottom of the diaper bag. More than just a memory book, The New Jewish Baby Album shows you how?and why it's important?to create a Jewish home and a Jewish life. It includes a section to describe the naming ceremony, space to write encouragements, and pages for writing original blessings and creating original prayers, as well as meaningful quotes throughout. Other highlights include a section for the parents to express personal prayers for the baby; pages for each of the major Jewish holidays; a family tree; room for photos; space to commemorate baby's first Shabbat at home; and much more. This is the perfect baby book for any Jewish family, a spiritual keepsake that will be treasured for generations.
