THE ARKANA ARCHAEOLOGY MYSTERY SERIES

Where do you hide a mysterious artifact that has the power to change the course of history? You scatter clues to its whereabouts across the entire planet. Five objects buried beneath the rubble of ancient civilizations point to the hiding place of a baetyl called the Sage Stone. The Arkana, a secret society, has deployed its agents to recover the relic. Psychic Cassie, bodyguard Erik and librarian Griffin unfortunately find their quest hampered at every turn by members of a polygamous religious cult known as the Blessed Nephilim. The cult's leader, Abraham Metcalf, wants to exploit the power of the Sage Stone to create a terrifying new world order.

Although keeping the relic out of Metcalf's hands is important, it is even more critical to keep him from finding the Arkana's troves of archaeological treasure. This cache, which has taken centuries to amass, proves the existence of advanced matriarchal cultures on every continent predating patriarchy by thousands of years. The Nephilim would like nothing better than to destroy the cache and its guardians. The global treasure hunt for the Sage Stone has put the Nephilim and the Arkana on a collision course. The only question is whether anyone will survive long enough to claim the prize.

Volume Four - Riddle Of The Diamond Dove

Two down, three to go. The quest for the next piece of the puzzle has led both sides to Africa. They must comb an entire continent--their only lead a riddle carved onto a mysterious dove sculpture. Even as the Arkana team struggles to decipher the clue, new dangers hover over their colleagues at home. Metcalf's child-bride Hannah has taken refuge with the Arkana's leader Faye while mercenary Leroy Hunt creeps ever closer to her hiding place. Meanwhile, Metcalf's son Daniel recruits a clever ally who might be more than a match for the opposing side.

When the forces of the Arkana and the Nephilim converge on a ruined city in a forgotten corner of the dark continent, the shocking outcome is beyond even Cassie's powers to foresee. The quest for the Sage Stone will veer in an unexpected direction once both sides solve the Riddle Of The Diamond Dove.
