This book is not designed to show you how to make money. The goal of this work is to help you to find out what it is you are passionate about and show you some simple steps which will help you to see how following your passion can help you to build wealth beyond your wildest dreams. It's easy. But it requires you to take a good look at your life and assess it honestly. Do you love what you are doing with your life, your time, and your energy? If you are not satisfied with where you are in life and what you're doing with your life, then change it.

Passion is contagious. People can tell if you are passionate about what you are saying or doing. People can feel your enthusiasm, so you should try your best to make it positive. One of the keys to happiness in life is to do what you love. If you do that, everyone with whom you come in contact will sense your enthusiasm and energy and be swept along with it. When you are doing what you love you tap into the wellspring of ideas and energy being provided by the universe and this allows success and wealth to come to you with ease.

Real wealth takes many forms. To some great knowledge is the ultimate wealth because it provides you with an understanding of the world, your place in it, and how to use the resources of this planet to help you and everyone with whom you come in contact to prosper. For others, being self-employed is true wealth. They prize having the freedom to use their time, talent, and energy to build their own business. A business, the direction and growth trajectory of which they have control. They like knowing they and their loved ones will be able to enjoy the fruits of their labor...
