Unhappy Admirations (The Perfect Plan Series) James Johnson

Jason Rivers was your average, hard-working, native New Yorker who enjoyed living a simplistic lifestyle. Drama eluded him and disaster didn't even know his name. That is, until the cold and dreary night when fate brought him face to face with the young woman who would change his life forever. Almost from the very first moment they met, Jason's world was turned upside down as he was sucked into four never-ending days of murder, aberration and twisted passion. But, who is this girl?... This young woman teetering on the ledge between reality and ideation...who doesn't just flirt with danger, but runs to meet it head on...who's ties run parallel to that of ruthless assassins...who's existence is neither deliberate nor calculated, but necessary? To embrace her with both arms, to allow her into your heart, to give yourself over to her, makes you a victim of one thing... Unhappy Admirations! "James Johnson's sophomore novel is worthy of recognition and is sure to be another bestseller on all accounts. His writing has reached new levels of intellect and imagery that other authors of this genre are severely lacking and will not soon compete with, to their own detriment. The signature fast pace is, as ever, enthralling and engrossing, leaving the reader disconcerted and longing for the next episode which is sure to be another literary blockbuster." - Chicago Sun Times
