Where Have All the Flowers Gone?

Alice Gerard

Where Have All the Flowers Gone? Alice Gerard

This book tells the stories of five private schools begun in the Northeastern US during the 1960s by idealistic believers in educational freedom. Two of the schools have closed; the other three are still open and flourishing. Although the schools are different, they share a belief in the individuality of each child and his/her unlimited potential. Their stories are still relevant today.

From reader reviews:

Catherine Browning:

Why don't make it to become your habit? Right now, try to ready your time to do the important work, like looking for your favorite reserve and reading a guide. Beside you can solve your long lasting problem; you can add your knowledge by the book entitled Where Have All the Flowers Gone?. Try to make the book Where Have All the Flowers Gone? as your friend. It means that it can to become your friend when you sense alone and beside associated with course make you smarter than previously. Yeah, it is very fortunated in your case. The book makes you more confidence because you can know everything by the book. So , we need to make new experience as well as knowledge with this book.

Judith Judd:

What do you think of book? It is just for students since they're still students or this for all people in the world, exactly what the best subject for that? Just you can be answered for that concern above. Every person has several personality and hobby for each other. Don't to be compelled someone or something that they don't want do that. You must know how great as well as important the book Where Have All the Flowers Gone?. All type of book are you able to see on many methods. You can look for the internet solutions or other social media.

Jerry Hull:

Playing with family inside a park, coming to see the sea world or hanging out with buddies is thing that usually you might have done when you have spare time, after that why you don't try issue that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Where Have All the Flowers Gone?, you may enjoy both. It is great combination right, you still wish to miss it? What kind of hang-out type is it? Oh seriously its mind hangout guys. What? Still don't buy it, oh come on its called reading friends.

Chester Brown:

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their leisure activity. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Where Have All the Flowers Gone? can make you experience more interested to read.
