These 32 underwater scenes feature turtles, sharks, and other marvelous marine creatures. By using the lightly printed numbers and corresponding color key, experienced artists can make these sea creatures come to brilliant life. The illustrations are printed on heavy, high-quality paper that's printed on one side only so most paints won't bleed through. Plus, pad-like binding makes removal and display of finished paintings a snap. Specially designed for experienced painters, *Sea Life Paint by Number* and other Creative Haven® books offer an escape to a world of inspiration and artistic fulfillment. Each title is also an effective and fun-filled way to relax and reduce stress.
