Deity Bill Rosser

Deity is a hybrid Rpg-Strategy game where players take on the roles of minor Gods and Goddesses trying to spread their influence across the world. Each game is played using a map of a continent, with each player trying to gather as many followers as possible in order to gain total dominance over the continent and defeating the other players in the process. Deity can be played as a standalone game, or, if you want to use the tactical combat system option that adds a more strategic feel to it you can use added rules from the Gaia Saga role-playing system.
