The Reality of Heaven begins with several near death experiences. Having read numerous accounts of near death experiences I opted to highlight those that seemed to be the most credible.

The book proceeds to take you on an excursion through heaven. A scenic and somewhat adventurous tour of heaven itself. While using scripture as a basis, it is written as a light hearted allegory. Travel with us as we tour all of heaven.

It's my sincere desire that those who read The Reality of Heaven will be drawn into the reality of heaven itself. It is my hope that they'd also be drawn to the Lord God who created it. The God who by His great love for us has made heaven possible for all of us. He has made it possible to experience this reality for ourselves.
