Live Your Fairytale (Book Book 1) Mitzi Collins

Every fairytale you read in this book is true and presented accurately. You will find woven within my fairytales, stories of: premonitions; encounters with spirits; finding joy after heart wrenching sorrow, pain, and grief; miraculous healings; life changing messages from Higher Intelligence, the Universe, or God; and other mystical occurrences. I reveal the lessons that have been shown to me through each experience only with the desire to help you understand how your life stories are not random coincidences that thrust you through life with no other choices. It is my intention to help you understand that you really do possess the power to create the life of your dreams. And in fact, you are actually the one who is creating your fairytales.
