*Daniel James Brown*

**The Indifferent Stars Above: The Harrowing Saga of the Donner Party** Daniel James Brown

**From the #1 bestselling author of *The Boys in the Boat* comes an unforgettable epic of family, tragedy, and survival on the American frontier**

**“An ideal pairing of talent and material.... Engrossing.... A deft and ambitious storyteller.” – Mary Roach, *New York Times Book Review***

In April of 1846, twenty-one-year-old Sarah Graves, intent on a better future, set out west from Illinois with her new husband, her parents, and eight siblings. Seven months later, after joining a party of pioneers led by George Donner, they reached the Sierra Nevada Mountains as the first heavy snows of the season closed the pass ahead of them. In early December, starving and desperate, Sarah and fourteen others set out for California on snowshoes, and, over the next thirty-two days, endured almost unfathomable hardships and horrors.

In this gripping narrative, *New York Times* bestselling author Daniel James Brown sheds new light on one of the most legendary events in American history. Following every painful footstep of Sarah's journey with the Donner Party, Brown produces a tale both spellbinding and richly informative.

#### **Joseph Wilds:**

As a pupil exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this The Indifferent Stars Above: The Harrowing Saga of the Donner Party can make you experience more interested to read.
