The Werewolf Wears Prada (San Francisco Wolf Pack)

Kristin Miller

The Werewolf Wears Prada (San Francisco Wolf Pack) Kristin Miller

A paranormal category romance from Entangled's Covet imprint...

Falling in love bites...

Melina Rosenthal worships at the altar of all things fashion. Her dream is to work for the crème de la crème fashion magazine, *Eclipse*, and she'll do much anything to get there. Even fixing up the image of a gorgeous, sexy public figure who's all playboy, all the time. Even if he's the guy who broke her heart a year ago...

Even if Hayden Dean is a werewolf.

Since his father's death, Hayden's the heir apparent to the San Francisco Wolf Pack-well, once he settles down. Hayden isn't interested in giving up his partying ways, except he's pretty sure he's found his fated mate, and the fact that she's a non-shifter is bad news. Now he must find a compromise between the traditions of his wolf world and his certainty that Melina is *his*...before fate (or another werewolf) bites them both in the butt.
