Adversarial Legal Writing and Oral Argument (Legal Research and Writing) Michael D.Murray, Christy H.DeSanctis

Highlights of this offering from Murray and DeSanctis' Legal Research and Writing include: Use of the TREAT paradigm and the doctrine of explanatory synthesis which are superior rhetorical devices to maximize the persuasive potential of adversarial legal writing; Multiple annotated samples of each form of work product (pre-trial motions to dismiss and motions for summary judgment, a writ petition, and appellate briefs) rather than offering one or two unannotated model briefs; An in-depth analysis of oral argument and moot court skills and strategies; Written by law professors with substantial experience in litigation in trial and appellate courts, one of whom is a former member of a national champion moot court team; Well suited for use in a second semester Introduction to Advocacy or Legal Writing course, or an upper division trial and appellate advocacy or advanced writing course.
