Close To You Katelyn Skye

Here is the first book in the 'Close To You' Series, another wild and wicked story with a potent mix of romance and deep passion by Katelyn Skye.

After yet another failed relationship, and becoming increasingly dissatisfied with her career, twenty-eight year old Anna-Grace Carmichael feels her life needs a bit of a shake up. She decides to leave her job and broken romance behind and accepts a position at the Winchester Middle School as a substitute teacher in the Home Economics Department. Her duties are fairly routine and she easily settles into the consistently steady world of education. However, she soon discovers that she is the object of desire for thirty-four year old Gary Wilkins, the Deputy Chairman for the School Board.

Slowly he draws her into his world, opening up her eyes to pleasures she never knew existed. But as things progress, will Anna be forced to choose between the safety of what she knows and the allure of the unknown as a side of her she never knew existed begins to make itself known? And what will happen when Gary's troubled past comes back to confront him?

This ebook contains very hot descriptions of romantic activity, submissive themes, BDSM, rough sex and Alpha-Males. Only mature readers should download this book.
