The Concise Concordance is a useful word index to all 73 books of the New American Bible Revised Edition. Arranged in alphabetical order, it shows the book, chapter, and verse location of the most prominent words in the NABRE and supplies several words of the context in which each word is found.

This volume is the perfect accompaniment for anyone studying the NABRE. It provides helpful access to texts most significant to personal and professional Scripture research, regardless of the reader's familiarity with this particular translation.

The New American Bible Revised Edition:

The New American Bible Revised Edition (NABRE) brings to culmination the work of nearly 100 scholars, including translators, editors, and a subcommittee of Catholic bishops who provided extensive review of the biblical text over a period of many years. The NABRE is the first major amendment to the New American Bible translation since 1991. It features:

\*The first update of the Old Testament since 1970, taking into account recent archaeological and textual discoveries.

\*Complete revision of the Psalter.
