A HISTORIC WOMAN SPY IN AN AWARD-WINNING NOVEL

England 1470

Margery, the spirited ward of Warwick the Kingmaker wants to control her own destiny. When she agrees to become King Edward IV's courier and heal the rift between the king and Warwick, she finds herself in a deadly game of international intrigue. Her greatest enemy is the man that Warwick compels her to marry, the clever, enigmatic Richard Huddleston. As an infamous alliance forms to invade England, maybe the only man who can rescue Margery is her husband, the man she trusts the least of all.

Rita Award Winner – “Best First Novel 2000”

Winner – “Romantic Book of the Year Award 1999”

4 STAR RT Rating In the tradition of Anya Seton, Sharon Kay Penman, and Ciji Ware, Isolde Martyn has penned a story combining historical detail and romance. She captures the natural bawdiness, cruelty, beauty, treachery and majesty of the 15th century as she draws the reader into the lives of those who would fight to the death for the crown.

–Kathe Robin, Romantic Times

“A wonderfully interwoven tapestry of a book”

–UK novelist Barbara Erskine

Desert Isle Keeper Review

In *The Maiden and the Unicorn*, Isolde Martyn has not only created a compelling love story between a wonderful hero and heroine. She also portrays the complicated dynastic plottings behind the 15th century Wars of the Roses in a way that makes the history come alive.

-- Colleen McMahon, All About Romance

FIVE HEART RATING I managed to make *The Maiden and the Unicorn* last over three evenings' reading simply because I didn't want it to end. History was generous enough to provide the author with a panorama of complicated political maneuverings and complex personalities, but the measure of an author's talent is what she makes of such a wealth of material. Ms. Martyn makes of it a truly memorable book.
