## **Bad Seed: The Biography of Nick Cave** Ian Johnston

Nick Cave has repeatedly succeeded in creating idiosyncratic, obsessive lyrical visions which make no concession to prevailing musical fads. His personal life has been equally turbulent and this book tells the full story of his drug addiction. It offers an overview of his career to date, unravelling the motivation of this reluctant icon and exploring his unique appeal. With exclusive interviews with Cave's fellow musicians, friends, and colleagues, Johnston illustrates a life lived in barely controlled chaos and provides a vivid portrait of a maverick artist.
