**Everything simply follows the laws of objective reality**

*A plan on the grandest scale our Galaxy has ever known, as old as mankind itself, finally enters its concluding phase, taking it **Beyond the Event Horizon**.*

*After first contact, which had not ended as the Earthlings expected, all traces of the visitors were lost in space, seemingly forever. But soon after, scientists noticed a mysterious gravitational anomaly not far from the Solar System as it journeyed around the centre of the Milky Way. To find out more, and perhaps discover the aliens' secret, a research expedition fitted out with state-of-the-art scientific and military equipment sets out...*
