Lady in the Mist: A Novel (The Midwives) Laurie Alice Eakes

By virtue of her profession as a midwife, Tabitha Eckles is the keeper of many secrets: the names of fathers of illegitimate children, the level of love and harmony within many a marriage, and now the identity of a man who may have caused his wife's death. Dominick Cherrett is a man with his own secret to keep: namely, what he, a British nobleman, is doing on American soil working as a bondsman in the home of Mayor Kendall, a Southern gentleman with his eye on a higher office.

By chance one morning before the dawn has broken, Tabitha and Dominick cross paths on a misty beachhead, leading them on a twisted path through kidnappings, death threats, public disgrace, and . . . love? Can Tabitha trust Dominick? What might he be hiding? And can either of them find true love in a world that seems set against them?

With stirring writing that puts readers directly into the story, *Lady in the Mist* expertly explores themes of identity, misperception, and love's discovery.
