God is great, who created the universe and all human beings. God is the Alpha and the Omega, the Beginning and the End. As God began the creation, the universe was brought forth; as God began the life-giving work, mankind was given breath; as God began the work of salvation, we were delivered from sin; as God began the work of peace, reconciliation and forgiveness were brought upon the world of conflict and confrontation, and as God began to love us, we were given the hope for the future. The great God has blessed mankind with an opportunity to "begin." .... Please study this book diligently, beginning from the first chapter to the final chapter, and you will receive God's abundant grace and blessing through the words. --- excerpts from book's Introduction
