### Excerpt 1: "The Torturer's Intern"

"My name is Evelyn, and this is my assistant, Chloe" the torturer announced. Evelyn is a lady of Asian origin, a Filipino to be exact, in her early 30's and has been working as the torturer for the army for years, while Chloe is a Latino girl of Mexican origin, 26 years of age and currently undergoing training as The Torturer's Intern with Evelyn. Both are beautiful and sexy ladies.

Five terrified pairs of eyes watched her as she walked slowly around, inspecting their tightly spread out young bodies and vulnerable sex organs.

"My job is to soften you all up by indescribable pain and agony, so that our inquisitors can extract from you the information we want." Evelyn continued. "I am regarded as an expert in genital torture, and my treatment will be mainly centered on your testicles. My assistant is learning my trade, and I shall be instructing her with the various procedures I employ. She will now inject each of you with a special cocktail of drugs. This will give you the biggest hard-on of your life irrespective of the agonies you will endure, and also will prevent you from fainting from the pain."

### Excerpt 2: "The Masseuse"

"Kyle was a divorced, middle-aged business man who wanted a sensual massage from some beautiful women. Perhaps he could negotiate a little more than just a massage, but these ""call girls"" had a hidden agenda of their own and a big surprise for Kyle!"

This sent a surge of erotic excitement through Kyle's gut, intensifying his arousal and combining it with a feeling of shock and even a little fear. This group might be kinkier than he had bargained for. His belly growled from the sensations he was having and he involuntarily let a big fart. Topy lowered one of the rear windows to let out any unwanted fumes and the girls both giggled. "Ooohoo!" Stacy exclaimed in a naughty guttural tone. "Does thinking about that kind of stuff make your guts clobber?"

Jennifer reached between Kyle's legs, pinching a testicle and causing a dull queasy pain to shoot through his guts. This elicited another fart and the girls continued giggling.

"How... how did he...?"

"Loose his nuts?" Jennifer replied.
