How do you select the numbers you use to play Pick-3 Lottery? Want to learn how to reduce the odds against you? A book like this sounds like it could be dry...a real yawner, right? Not the case here. Written as a conversation between a freelance writer and a man named Sam, using over two dozen charts, this book leads the reader through the process of capturing data, importing it to a spreadsheet, and analyzing the results. The reader learns how to reduce the odds from 1 in 1000 to 1 in 220. Additional tips suggest ways to further filter your selections and build wagers. Does it guarantee a win? Not at all, but reading this text may improve your chances.
