Personally I cannot live without fresh crusty bread. I remember days when I used to drive around supermarkets, looking for fresh bread.

Tesco was a great source back then. They always had fresh bread that was still warm around 10 in the morning. Great memories, LOL

Everything changed when I discovered bread machines. Now I was able to make fresh, crusty bread whenever I wanted. I'm big fan of goulash and nothing goes better with it than home made bread.

In this publication I'm sharing my favorite recipes for homemade bread. I recommend using it as inspiration and always check manufacturer recommendation of your bread maker.
