Help students develop the research skills they need for success in academic, career, and everyday situations with THE CENGAGE GUIDE TO RESEARCH, 3rd Edition. Recognizing that technology is a part of daily life, the authors show students how to apply the research skills they use every day (buying a car or choosing a cell phone plan, for example) to academic and professional settings. Annotated student samples, research scenarios, and Techno Tips illustrate the "how" and "why" of researching and engage students with key research technologies important to success.
