Knitting stitches: which are Best for Beginners to learn?

Learning to knit can seem like a daunting task. After all, it seems like the only people who are proficient knitters are little old ladies, right? Today, people of all ages are learning this useful skill, making themselves and their loved ones anything from socks to sweaters and hats. People are learning from internet tutorials, the instructions of the back of yarn that sometimes show you knit stitch patterns, and each other.

But is there a more effective way to learn this skill?

This book presents all of the information about knit stitches for beginners. For those who want to learn how to knit, this is the ideal place to start. Even if this is the first time you have ever touched knitting needles or looked at knitting patterns, learning to knit stitch does not have to be time-consuming or difficult.

By following the simple steps in this book, you will learn essential knitting stitches, techniques, and tricks. In no time, you will be making socks, and then hats, and then mittens and shawls and sweaters!

Even if you are familiar with a knit stitch and knitting needles, this book still provides plenty of great information, especially if you are looking to improve your game. Making the perfect sweater, even if you have been knitting for years, may still be a challenge.

This book has all of the information you need to conquer even the most difficult knitting stitches.

It even includes a Glossary of Knitting Terms as an added BONUS, so as you expand your projects to other designs and find other patterns, you will never be in the dark. Not only that, the book also provides the answers to the most common questions you might have when you start your knitting adventure.

After completing this book, you will have the knowledge and skills to follow just about any pattern and do just about any knitting stitch. Learning to read a pattern and follow it—even make necessary modifications to it—is a huge benefit this book can provide.

Other things that you will learn:

- How to cast on stitches
- How to pick the best yarn for knitting patterns
- How to read and use knitting patterns, found on the internet or on yarn covers

- How to fix the most common knitting mistakes, like having an extra or skipped stitch
- How to hold the needles and yarn
- How to pick the right set of needles for your project.
- How to purl stitch
- How to close a stitch
- and other 30 knitting patterns with clear instructions..

Scroll up and grab your copy of Knitting Stitches today!

Check Out What Others Are Saying...

"I've been into sewing and quilting for awhile and have really wanted to get into knitting as well, so thought I'd give this a try. I really like it. Not just a generic knit one pearl two kind of bool, and it has got great illustrations and pictures of exactly what you are doing. For me, it really helps if I can see exactly what it is supposed to look like. I've been wanting to make my little girl a blanket since she was born in April, but she has a lot of quilts already from grandmas and such. With this I think I can really get a great blanket that will last, and mommy will have made it! It has a lot of neat ideas and projects.

I also like how its formatted. Easy to follow, easy to find what you need or get the info/how to really fast depending on what you are doing. Maybe once I am a little more proficient (in a year or two! lol) I can try some of the more complicated knitting projects out there."

- Marionbeth Bates

"This little book is really useful, even for experienced knitters. It has clear illustrations and well written instructions. Thank you."

- Dolly Kauley
