The third edition of this user-friendly book reflects current trends and new approaches to teaching medical terminology. It uses a programmed learning format to give students the freedom to learn medical terminology at their own pace but can also be used in the classroom. The new artwork throughout the book enables the student to see a true representation of the body system or pathological condition. To help students learn easily and quickly, each body system unit includes a summary of major combining forms, a comprehensive pathology section, and additional medical records and evaluations. Davis's Medical Terminology Online is available with this text in the following formats: ISBN 1333-4. Gylys: Med Term Online WebCT Packaged w/ Medical Terminology Simplified 3rd ISBN 1334-2.
