The O'Reilly Factor

Bill O'Reilly

The O'Reilly Factor Bill O'Reilly

An irreverent, straight-talking look at American politics and culture from the iconoclastic anchor of one of the highest-rated TV news programs in the country.

Bill O'Reilly has the hottest cable news program on the air. "The O'Reilly Factor," seen nightly on the Fox News Channel, boosted its ratings by more than six times in 1998, and has kept soaring. His blunt, ironic, no-holds-barred style has earned O'Reilly a devoted audience of viewers--friends and foes alike--who send him five thousand letters every week. Now, with the wit and intelligence that have made him one of the most talked-about stars in television, Bill O'Reilly identifies what's right, what's wrong, and what's absurd in the political, social, economic, and cultural life of America:

*The media: why what you see is decided upon by morons

*Politics: why most politicians are obsolete

*Sex: why Americans would declare war on Denmark if they knew what was going on there

As the nation prepares for another presidential race, O'Reilly's provocative opinions are sure to add fire to the ongoing debates. THE O'REILLY FACTOR is poised to follow in the footsteps of bestsellers such as Rush Limbaugh's *The Way Things Ought to Be* and Jesse Ventura's *I Ain't Got Time to Bleed*.

From reader reviews:

Steven Holt:

Reading a e-book tends to be new life style within this era globalization. With reading you can get a lot of information that could give you benefit in your life. Using book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire all their reader with their story or their experience. Not only the story that share in the textbooks. But also they write about the ability about something that you need instance. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on this planet always try to improve their talent in writing, they also doing some exploration before they write on their book. One of them is this The O'Reilly Factor.

Donna Macdonald:

The reason why? Because this The O'Reilly Factor is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will distress you with the secret it inside. Reading this book next to it was fantastic author who all write the book in such incredible way makes the content inside easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any longer or you going to regret it. This unique book will give you a lot of gains than the other book include such as help improving your talent and your critical thinking way. So , still want to hold up having that book? If I have been you I will go to the publication store hurriedly.

Sherry Ellis:

Your reading 6th sense will not betray anyone, why because this The O'Reilly Factor e-book written by well-known writer who knows well how to make book that may be understand by anyone who all read the book. Written within good manner for you, still dripping wet every ideas and composing skill only for eliminate your hunger then you still skepticism The O'Reilly Factor as good book not merely by the cover but also through the content. This is one publication that can break don't ascertain book by its protect, so do you still needing an additional sixth sense to pick this particular!?! Oh come on your reading sixth sense already alerted you so why you have to listening to one more sixth sense.

David Cormier:

You could spend your free time to learn this book this book. This The O'Reilly Factor is simple to bring you can read it in the recreation area, in the beach, train as well as soon. If you did not possess much space to bring typically the printed book, you can buy the e-book. It is make you better to read it. You can save typically the book in your smart phone. Thus there are a lot of benefits that you will get when one buys this book.
