Where Nightmares Begin Glenn Rolfe

Monsters can hide anywhere. Under a bridge, below the earth...or behind a smile.

Abram's Bridge

When Li'l Ron realizes the beautiful girl he met under Abram's Bridge is a ghost, he sets out to make things right for Sweet Kate. His quest leads him into a tangle of small-town secrets as he uncovers a story of heartbreak, violence...and fear.

Boom Town

Thirty years after a notorious UFO encounter, the town of Eckert, Wisconsin, is besieged by mysterious rumbles from deep in the earth. As the earthly tremors grow stronger, two pre-teens discover a dislodged pipe spewing a strange, bubbling ooze. Their curiosity unleashes an afternoon of unbridled terror for the entire town.

Things We Fear

Emily Young can't deny her attraction to Aaron Jackson, the Ed Tech from her Fairington Elementary classroom, but fears she'll be hurt again. Aaron is determined to overcome his drowning phobia and enjoy the sun and the sand of Maine's best beach town.

But real fear lurks closer than they think. Fairington harbors a psychopath seething with hell-bent rage—and he's got his sights set on Emily.
