Ace was found at a rescue place near Coatesville, PA through the website called Petfinder. He and his brother were abandoned in Manhattan, NY in an apartment by owners. Ace is a dark brown brindle pit bull mix and his brother was a tan brindle puppy and they were both about 8 weeks old. My daughter surprised me when I returned from a California trip with this puppy that we planned on co-owning. My only requirement was the puppy would be brown and white. So on July 7th, I became a dog owner for the first time in over 25 years.
