Vampires in America?

Yes, they exist; Mark Davidson knows it. And what city is more likely to be stalked by them than *New Orleans*?

But Lauren Crow doesn't believe in vampires. Not at first. She and her friends are spending a bachelorette weekend in the Big Easy—all fun and games until a fortune-teller predicts a gruesome death. And until Lauren meets Mark, whom she finds absolutely compelling...and quite possibly crazy. He prowls the city by night, searching out vampires. Mark is as drawn to Lauren as she is to him, and not *just* because she's the image of his murdered fiancée. His obsession with tracking down his lover's killer is part of a vendetta that goes even deeper than grief over his lost love.

As Lauren wrestles with desire and disbelief, sinister shadows lengthen over New Orleans. *Vampires*. They're threatening Lauren and her friends. And they're about to end the city's truce between the living and the *undead*!

From reader reviews:

John Wannamaker:

In this 21st centuries, people become competitive in each way. By being competitive now, people have do something to make these survives, being in the middle of the particular crowded place and notice by simply surrounding. One thing that occasionally many people have underestimated this for a while is reading. Sure, by reading a publication your ability to survive raise then having chance to endure than other is high. For you who want to start reading any book, we give you this specific Blood Red book as starter and daily reading publication. Why, because this book is usually more than just a book.

Randal Revilla:

Here thing why this particular Blood Red are different and reputable to be yours. First of all examining a book is good however it depends in the content from it which is the content is as scrumptious as food or not. Blood Red giving you information deeper as different ways, you can find any guide out there but there is no e-book that similar with Blood Red. It gives you thrill examining journey, its open up your own personal eyes about the thing which happened in the world which is might be can be happened around you. You can actually bring everywhere like in park your car, café, or even in your approach home by train. If you are having difficulties in bringing the printed book maybe the form of Blood Red in e-book can be your option.

Kay Newberry:

Do you one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Try to pick one book that you just dont know the inside because don't ascertain book by its include may doesn't work is difficult job because you are afraid that the inside maybe not while fantastic as in the outside appear likes. Maybe you answer might be Blood Red why because the wonderful cover that make you consider in regards to the content will not disappoint you actually. The inside or content will be fantastic as the outside as well as cover. Your reading 6th sense will directly make suggestions to pick up this book.

Alicia Cain:

Are you kind of busy person, only have 10 or even 15 minute in your day time to upgrading your mind expertise or thinking skill actually analytical thinking? Then you are having problem with the book in comparison with can satisfy your limited time to read it because pretty much everything time you only find publication that need more time to be read. Blood Red can be your answer since it can be read by a person who have those short free time problems.
