This digital product access is for courses that are 6 months or less.

This ebook bundle includes perpetual license to an ebook copy of Brown/Iverson/Anslyn/Foote's Organic Chemistry, 7th Edition plus instant access to OWLv2 for 6 months.

Providing a modern introduction to organic chemistry for students majoring in chemistry, health, and the biological sciences, this revised and updated edition of ORGANIC CHEMISTRY is both student-friendly and cutting-edge and incorporates the latest advances in the field. Professors Brown, Iverson, and Anslyn have all won teaching awards at their respective schools, and they use their skills to build upon the text's hallmarks of unified mechanistic themes, focused problem-solving, use of applied problems from the pharmaceutical field, and unrivaled visuals. Thoroughly updated throughout, the book offers numerous biological examples for pre-med students, a wide range of in-text learning tools, and integration with both a homework and tutorial system and an interactive multimedia eBook. To help students understand reaction mechanisms, the authors offset them in a stepwise fashion and emphasize similarities between related mechanisms using just four different characteristics: breaking a bond, making a new bond, adding a proton and taking a proton away. Organic chemistry reaction roadmaps take a center stage in this edition with new pull-out maps designed in a stepwise manner by chapter. These roadmaps will help students to devise their own reaction pathways.

Numerous resources help ensure student success in the course, including a running margin glossary, a mini end-of-chapter in-text study guide, and more in-chapter examples than any other text on the market. Emphasizing "how-to" skills, this edition is packed with challenging synthesis problems, medicinal chemistry problems, and unique roadmap problems.

Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

After purchasing this product, Amazon will e-mail you an Access Code and redemption instructions for this online content. In some cases, you may also require a course code from your Instructor. Please consult the e-mail for additional details on redeeming your code and accessing the online content.

Your ticket to better chemistry grades

OWLv2 is a proven system to help you succeed. Its Mastery Learning approach allows you to practice at your own pace, receive meaningful feedback and use learning resources to help you achieve better grades.

Know what's important

OWLv2 concentrates on what's most important--understanding chemistry concepts--and its technology lets you work the way that's best for you

Discover the relevance of your lessons

Interactive simulations, visualizations, and tutorials integrated smoothly into your lessons. The more you learn, the better prepared you are to solve problems and analyze information – which helps you succeed in exams and in the workplace.

Master the content

Problems that challenge you to think about the concepts, and a platform that lets you practice what you've learned. OWLv2 moves you up the levels from memorization to mastery in a supportive learning environment.

Student Testimonial:

"I dropped the class first semester due to poor performance on quizzes. There was no OWL offered. This semester I currently have an A and I greatly attest this to OWL."

1st-Year Student

General Chemistry I, University of Dayton

**From reader reviews:**

**James Fletcher:**

The book Brown/Iverson/Anslyn/Foote's Organic Chemistry, 7th Edition plus 6-months instant access to OWLv2. make you feel enjoy for your spare time. You should use to make your capable considerably more increase. Book can to get your best friend when you getting stress or having big problem using your subject. If you can make looking at a book Brown/Iverson/Anslyn/Foote's Organic Chemistry, 7th Edition plus 6-months instant access to OWLv2. to be your habit, you can get far more advantages, like add your personal capable, increase your knowledge about several or all subjects. You are able to know everything if you like start and read a reserve Brown/Iverson/Anslyn/Foote's Organic Chemistry, 7th Edition plus 6-months instant access to OWLv2.. Kinds of book are a lot of. It means that, science publication or encyclopedia or other individuals. So , how do you think about this publication?

**Rose Waldman:**

The book with title Brown/Iverson/Anslyn/Foote's Organic Chemistry, 7th Edition plus 6-months instant access to OWLv2. has lot of information that you can learn it. You can get a lot of help after read this book. This particular book exist new know-how the information that exist in this book represented the condition of the world at this point. That is important to yo7u to be aware of how the improvement of the world. That book will bring you inside new era of the the positive effect. You can read the e-book on your own smart phone, so you can read the item anywhere you want.

**Theresa Piercy:**

The actual book Brown/Iverson/Anslyn/Foote's Organic Chemistry, 7th Edition plus 6-months instant access to OWLv2. has a lot details on it. So when you make sure to read this book you can get a lot of profit. The book was compiled by the very famous author. Tom makes some research previous to write this book. This kind of book very easy to read you can obtain the point easily after scanning this book.

**Dominique Rigney:**

Why? Because this Brown/Iverson/Anslyn/Foote's Organic Chemistry, 7th Edition plus 6-months instant access to OWLv2. is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will surprise you with the secret this inside. Reading this book adjacent to it was fantastic author who also write the book in such amazing way makes the content interior easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of advantages than the other book get such as help improving your skill and your critical thinking means. So , still want to delay having that book? If I were being you I will go to the publication store hurriedly.
