France and the Dreyfus Affair: A Brief Documentary History (Bedford Series in History & Culture)

Michael Burns

The Dreyfus affair — the infamous account of Jewish army officer and French citizen, Alfred Dreyfus, unjustly convicted of treason in 1894 — was the most significant political and social crisis of fin-de-siècle Europe. In the first book designed to introduce students to the broad outlines and significant legacies of the affair, the author deftly interweaves text with documents, tracing the course of events. He highlights the many issues connected with the case, including anti-Semitism, militant nationalism, socialism, the birth of modern Zionism, and the separation of church and state. Sixty-six documents are embedded in the narrative, offering students a broad range of sources to examine, including newspaper editorials, letters, trial testimony, and diary entries. A list of the principal characters is included in the appendices.

So , for all you who want to start reading as your good habit, you can pick France and the Dreyfus Affair: A Brief Documentary History (Bedford Series in History & Culture) become your current starter.

Annie Rose:

As a university student exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's internal or real their passion. They just do what the instructor want, like asked to go to the library. They go to

there but nothing reading really. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this France and the Dreyfus Affair: A Brief Documentary History (Bedford Series in History & Culture) can make you sense more interested to read.
