## **God Has Not Forgotten You: And Other Lyrics (Lyrics For Christian Songwriters Book 3) Eric Gichira**

Life is not by effort. It's a gift from God. Your goodness, gifting or hard work does not guarantee you success. And this is not to insinuate, by any means, that you don't need the above. However, even with all the hard work and relentless effort – people still do experience dry seasons in their lives. When success seems so far away; when that deal you've been counting on fails to come through; when you're going through anything but breakthrough; when, as a child of God, you've done everything you know to do, but still, nothing seems to work!

You're the reason I wrote this lyric book - God Has Not Forgotten You. You're the person I wrote this collection of lyrics for. To remind and encourage you that no matter the matter, no matter how everything appears to be in your life right now – God Has Not Forgotten You!

Dreams may fail to materialize; money may be scarce in your life right now; that scholarship you were hoping to get may have slipped through your fingers, so to speak; you may have gotten the Pink Slip; might have lost a loved one; your business might have gone under; and your marriage might have crumbled – but the good news is: God Has Not Forgotten You. Your season is about to change. Take hope, child of God, dream again and surrender it all to God.

Through 'God Has Not Forgotten You,' I hope and pray that transformation begins to take place in your life today. That God's grace and favor begins to overflow in your life. That victory and joy becomes your portion. That you begin to experience increase, and abundance of prosperity, by His grace, starting this day. That God Almighty takes you from your valley of dryness to His mountain of provision and abundance. The spiritual atmosphere in your life is about to change...you're getting ready to break your limitations and ascend to a new level in your life.

God is getting ready to take away every failure, disgrace and shame in your life. He's opening the windows of heaven and pouring mighty blessings to you – starting today!
