**USA TODAY Bestselling Series!**

Before Devon Stone met Olivia Margot, his life was a train wreck, but he wasn't the only one.

Meet Miles Riot, the guitarist to the band on the rise, Tempest Ultra. The record labels are after them. The adoring fans are after them. The tabloids are after them.

Abigail Clarke is a music journalist--definitely not a paparazzi rat--who's been assigned to go on tour with the band. But for this small town, Texas girl, traveling with the chaotic and reckless crew is the opposite of fun. She'd much prefer the soulful twangs of an acoustic guitar in a coffee shop to the eardrum-assaulting riffs and violent mosh pits that Tempest evokes. Good thing she's a professional. Abby's certain she'll get her story one way or another.

Miles knows Abby will have plenty of drama to report. From rock star hijinks to deep, dark secrets, Abby has the power to bury this band before they're ever signed.

He'll have to keep a close eye on this woman to make sure she doesn't get in the way...
