E. K. Hunt

History of Economic Thought: A Critical Perspective E. K. Hunt

This definitive critical study integrates evolving economic thought into the overall historical context from which it emerged. Specifically, it shows how the appearance of new theories was virtually always the result of heated debates on practical, political, social, and moral issues. The book includes an insightful discussion of differences among contemporary economic theories. In addition, updates and refinements have been made throughout to reflect the latest developments in the discipline.
