How can an ancient book make a difference in the life of a modern teenager? *It Will Stand* is a new approach to teenage Bible studies that focuses on the root literature of Christianity, the Bible. Many teenagers know parts of the Bible but do not realize that it tells one story from cover to cover. They might also ask how the Bible can be understood and applied to their own lives. *It Will Stand* addresses these questions: where did the Bible come from, and how do we know it is real? The second half of the book shows today's teen how to apply biblical truths to everyday living. Upon completing this study, teenagers will have a greater depth, understanding, and application skills of the greatest book ever written.
