This book is the long-awaited and fully revised edition of the legendary Jepsy On The Run black book. Jepsy of TDR (The Real Deal) made a name for himself in the mid 90's setting the European transit lines ablaze with his classic New York City styles and elaborate characters executed with clear-cut precision. Full aesthetic production like this on trains was and still is a rare and wondrous sight. Naturally, Jepsy gained international fame around the world. Now, back by popular demand, this edition is a must-have for all die-hard fans of steel burners. Its predecessor became a much sought-after collector's item after its initial success in 1997. Get yours quick before they disappear again...
