As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's heart or real their interest. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach
