The Not-So-Secret Ninja From The Back Cover The magic in Nate's family is just less obvious than the sloth's magic, or any other magic for that matter. Literally, Nate can become invisible! Okay, no, that's misleading. Well, in Nate's family line, runs the power of extreme stealthiness. This means amazing camouflaging powers and zero noise when moving or walking. Nate had this power since he was born. Now imagine how hard it was for his parents to find him between the sheets of his crib, or when he ran away and hid between the clothes of the department stores, finding someone there is hard enough without the stealthiness power!
