Ismail Kadare

Agamemnon's Daughter: A Novella & Stories Ismail Kadare

Psychologically incisive and impeccably crafted, *Agamemnon's Daughter* tells the crushing story of passion shattered by a heartless regime. Once again, Kadare denounces with rare force the machinery of oppression, drawing us back to the ancient roots of Western civilization and tyranny.

This collection also showcases two masterful stories: “The Blinding Order,” a parable about the uses of terror in the Ottoman Empire, and “The Great Wall,” a chilling duet between a Chinese official and a soldier in the invading army of the great conqueror, Tamerlane.
