"Introduction to Managerial Accounting, 2/e" by Brewer/Garrison/Noreen is based on the market-leading text, "Managerial Accounting", by Garrison and Noreen. However, this is not simply a briefer book with chapters removed; "B/G/N" has been rethought and retooled to meet the needs of the market. "B/G/N 2/e" is a more accessible, yet thorough student-friendly text that satisfies the basic needs of the managerial accounting student, without unnecessary depth on advanced topics associated with the follow-up course, cost accounting/cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison/Noreen text: many author-written supplements, excellent readability, terrific examples, and balanced end-of-chapter material.
