Today she has a plan. Today she gets what she desires.

Marla's on a camping trip with her two favorite guys in the world, her husband and their old college friend—a sexy man who she's desired from the first time she laid eyes on him years ago on the quad.

Sure, Marla loves her husband. He's nice and cute, in a geeky sort of way. Most days he's enough. But not today.

Not today, when she'll be sharing a tent with both of them, close enough to feel the heat of his body, the draw of his delicious masculinity.

Today she has a plan. Today she gets what she desires. All with the help of a few sleeping pills—enough to keep her husband asleep next to her while she seduces her way to a crazy, infidelitous night!

What could go wrong?
