## Secrets of The Wee Free Men and Discworld: The Myths and Legends of Terry Pratchett's Multiverse

Linda Washington, Carrie Pyykkonen

A fascinating guide to the international bestselling Discworld series and the award-winning *The Wee Free Men*—soon to be a major motion picture

Before J. K. Rowling became the best-selling author in Britain, Terry Pratchett wore that hat. With over 45 million books sold, Pratchett is an international phenomenon. His brainchild is the Discworld series—novels he began as parodies of other works like *Macbeth*, *Faust*, and *The Arabian Nights*. *The Wee Free Men*, one of Pratchett's most popular novels, will be made into a movie by *Spider-Man* director Sam Raimi. It's the story of 9-year-old wannabe witch Tiffany Aching, who unites with the Nac Mac Feegle (6-inch-tall blue men who like to fight and love to drink) to free her brother from an evil fairy queen.

A fun, interactive guide that will explore the land of Discworld, *Secrets of The Wee Free Men and Discworld* is filled with sidebars, mythology trivia, and includes a bio of the fascinating author Terry Pratchett, and an in-depth analysis of his work. This unofficial guide is a great resource for readers of *The Wee Free Men* and the other books of the Discworld series.
